## Applique

Applique is a kind of embroidery method that involves sewing custom-cut tackle twill or other fabric onto a garment. This method is used most often for letters or numbers, but any shape or design can be custom cut and sewn onto a garment. It can also be used to fill a large area instead of filling the area with embroidery thread.

**Any applique other than text or numbers will be priced at the stitch count of the logo plus \$3.50 for one color of applique. Add \$2.50 for each additional color. Standard digitizing charges will apply.**
